Caroline Trevella

With her unique creative energy Caroline Trevella receives inspiration and finds joy by translating it into visual stories. Over many years of research and development she has found ways to tell stories through colourful Illustration and sculpted diorama's which bring joy to the child in all of us. At Lochmara she will be working on the storybook of magical window displays produced for Christmas in New Zealand.

Clever pieces for Moscow Circus, Webber Brother's Circus, Showbiz Christchurch and the Outwits Summertime Theatre Festival have been received with enthusiasm and delight worldwide. www.bizzart.co.nz

Anna Day

As a nurse and photographer, Anna Day chooses to focus on things that inspire her to capture the moment. Feeling this connection to nature and beauty, all through the lens of Art and Science, can help us heal ourselves and, in so doing, support healing our world.

A portion of proceeds are donated to organizations dedicated to preserving the environment
